Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding the Tahoe Metropolitan Planning Organization's (TMPO) Administrative Amendment No. 2, which makes technical adjustment to their 2002/03-2004/05 Federal Transportation Improvement Program (FTIP). This amendment does not affect air quality conformity, timely implementation of Transportation Control Measures (TCM's) or financial constraints, and does not result in major scope change.

The project in this amendment is included and submitted by TMPO in the California Transportation Improvement Program System (CTIPS).

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this FTIP amendment has been amended into California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

RACHEL FALSETTI, Chief
 Office of Federal Transportation Management Program
